# THE BOYS

## AMAZON STUDIOS

Superheroes are often as popular as celebrities, as influential as politicians, and sometimes even as revered as gods. But that's when they're using their powers for good. What happens when the heroes go rogue and start abusing their powers? Based on the comic book series *The Boys*, this Amazon series shows the heroic quest to expose the truth about "superheroes" and the multibillion-dollar conglomerate that manages them. This first-ever wall calendar will feature full-color photographs of the infamous superheroes such as The Deep, Queen Maeve, Homelander and more, along with the Boys, played by Karl Urban and Jack Quaid.

- Season 1 premiered July 26, 2019.
- The critically acclaimed series is one of Amazon's most watched Amazon Original series.

### YOSHIKO YAMAMOTO

Artist Yoshiko Yamamoto's first wall calendar celebrates the traditional letterpress and woodblock printing art. It showcases 12 beautiful pieces of art that will imbue any room, office or kitchen for an entire year with a natural, relaxing feel.

- Features art of birds, flowers, and landscapes created using antique letterpresses and multiple hand-carved blocks.
- Yamamoto's notecards and limited-edition linoleum and woodblock prints are highly sought after by consumers and collectors.

## CATS & BOOKS

Curling up with a good book is the ideal activity for bibliophiles around the world—and curling up with your feline friend is even better! From the popular Instagram hashtag #Cats&books comes the best of

both worlds: cats in bookish environments doing what cats do best—being cute, sassy, and bored . . . without even trying.

### WALL

- #CatsandBooks has more than 60,000 Instagram posts and growing.
- This wall calendar features 12 beautiful Instagram photos of furry felines in libraries, bookshops, home bookshelves, and more.
